------------------------	-------	----------------------------

After some earlier morning rain, the skies cleared, and all participants enjoyed excellent weather and conditions on the green with some very exceptional performances in all the matches that took place.

Once again the members of the Jack Hatfield Club went out of their way to make all present welcome, whether bowlers or spectators and all their efforts were duly recognised in the Presentation speech by the Honorary Secretary of the NYBL who also praised the greenkeeper and his team of helpers for producing a fine surface for all the finals that took place during the day.

Congratulations to all the winners and runners up for having reached the Finals this year and for all the other contestants for participating and making these NYBL Competitions so competitive throughout the short outdoor bowling season.

Malcolm McNulty Hon. Sec. NYBL 04/08/2025
